The USTRANSCOM/TCAQI Contracting Officer determined that it is in the government's best interest to allow certain commercial contractors to use the WWX-5 contract to move international express package shipments made on behalf of the US government. In accordance with section 1.1.4 in the WWX-5 contract, cost-reimbursable contractors (e.g., prime vendor, virtual prime vendor, on-demand manufacturing, quick response, corporate contracts, and Electronic Mall (EMALL) contractors), as approved by the Contracting Officer who has oversight of cost-reimbursable contract, may use the transportation services and rates provided under this contract for official business conducted on behalf of the US Government.

Contractors submit their written request to participate, by completing paragraphs 1-5 of the attached request form with the responsible government Contracting Officer. The Contracting Officer who has oversight of the cost reimbursable contract shall evidence their confirmation by providing a signature and date in the space provided under paragraph 5.

When the form is completed and signed by the cost reimbursable contracting officer, a copy is maintained by the cost reimbursable contractor to facilitate WWX account set up and a copy is forwarded to the WWX-5 Contracting Officer Representative (COR). (List of CORs can be found on the WWX website <https://private.amc.af.mil/A4/wwx/>, WWX Account POCs).
